

RECREATION ASSOCIATION UPDATE

The LLRA (Landis Lakes Recreation Association) is sponsoring a Pool Party on Saturday, **June 30 from Noon to 2:00 PM.**

Pizzas provided by Papa John's and soft drinks will be served. All residents are welcome to attend.

The Recreation Association has worked hard to make noticeable improvements to the clubhouse area. The grass was power seeded last year and looks great now. The columns in the front and back of the clubhouse have been painted. The front door has also been painted. New shutters have been purchased and installed. Flowers have been planted in front of the circular drive. Beautiful flower arrangements have been placed by the front doors. In addition, the front porch has been sealed. The concrete by the pool has been power washed. The wading pool has been resealed. The bushes have been trimmed. The wrought iron fence has been repaired.

We are sure that everyone has noticed the changes and are grateful to the Recreation Association.

THANKS!

PARK BENCHES

We have purchased park benches and placed them at the lake. We hope that all residents will use and enjoy the benches.

KEEP LANDIS LAKES BEAUTIFUL

It is recommended that residents keep trash containers out of sight on non-garbage pickup days.

This is a reminder that the dumpster at the clubhouse is not to be used by the neighborhood residents, and is reserved only for clubhouse renters and for the pool staff to empty the trash cans around the pool. Violators will be penalized.

SOLICITATION

There is a No Solicitation sign at the front of our subdivision. If a solicitor comes to your door and there is a problem, it is recommended that you call the police.

COMMUNITY EVENTS

Start cleaning your basements and get ready for our community event. We are planning a **neighborhood-wide yard sale on Saturday, July 21**. Each participating household will set up items to sell at their place of residence. A flyer with more details will be distributed to each home around the first of July. Hopefully, we can make this an annual event.
