

POOL OPENING DELAYED

Due to the large amount of rain we have had in April and May, the progress of the pool renovation project has been delayed. Several days of dry warm weather were needed to move forward with the plastering of the pool, which is the final stage of the renovation before the pool is filled with water and then the water is conditioned for safe swimming.

The construction manager said the prep work was more time consuming than what was originally planned for because the condition of the pool and its support structure was in worse shape than anticipated. However, the end result will be worth the wait and will serve us well for many, many years to come.

For now, **the expected open date will be Saturday, June 3**, but may open before that date. There will be signs posted with more specifics on the clubhouse door and pool gate, or you can check the Landis Lakes website for current status at www.landislakes.com.

Patience during this unforeseen delay is much appreciated and Aquatics Construction & Services apologizes for any inconvenience.

COMMUNITY YARD SALE

The annual community yard sale will be held on **Saturday, June 24 from 8:00 am to Noon**, rain or shine. If you would like to participate, start checking your basement and closets for items you would like to sell. Be sure to put a balloon or some other identification on your mailbox the morning of the sale. Signs will be posted at strategic locations in the area. The yard sale will be advertised in the Courier Journal that weekend and will also be publicized in Craig's List. Neighbors who often participate in the community yard sale ask if there is a guide they can use to price items. There are two websites that you can check out if you are interested. Easily access these sites by using the following addresses that will auto-forward you to them...

www.landislakes.com/yardsale1

and

www.landislakes.com/yardsale2

Some of the items are Toaster - \$7.00, saw - \$5.00, lamps - \$5 to \$30, landline telephones - \$5.00.

Fillies' Tea 2017

FILLIES TEA WAS A GREAT SUCCESS

The annual Fillies' Tea was held on Tuesday, May 2 at the home of Cynthia Dykes. Many of the ladies enjoyed socializing with their neighbors as well as sporting their lovely Derby hats.

WELCOME TO THE NEIGHBORHOOD

We would like to welcome to our neighborhood Raymond and Lakisha Wilson who live on Jackson Creek Court. If you see them please be sure to introduce yourself and make them feel welcomed.

CONGRATULATIONS!

Congratulations to all of our neighborhood graduates – Class of 2017! May your success give you the confidence to trust yourself and your decisions and the opportunity to become the person you want to be.

SAFETY AT THE LAKE

One of our priorities is the safety of all of our residents. Foot signs have been placed around the lake in each direction. Signs state Landis Lakes Community, Private Property, No Trespassing, No Swimming, No Diving, No Entry When Ice is Present. Whenever children are at the lake, it is important that there is a responsible adult watching them.

WITH SYMPATHY

We would like to extend our condolences to the Flinchum family on the loss of their son, Ryan.

MOWING SECONDARY AREAS

Our contract with Earth Care stipulates that most of the common area will be mowed every other week. If you notice that these areas are not maintained properly, please contact Andrea Orangias, Property Manager at 498-2410.

SPEEDING

The legal speed limit in Landis Lakes is 20 MPH. We realize that this may be slower than most people like to drive. However, since our streets are narrow and we have many school-age children in our community, it is very important that we pay close attention to our driving habits within the community. Let's work together to keep Landis Lakes a safe place to live.

JUNE TRIVIA

June is the month with the longest daylight hours of the year in the Northern Hemisphere. June is known for the large number of marriages that occur over the course of the month. On June 1, 1792, the state of Kentucky became the 15th state of the United States.
