

CONCERT IN THE COMMON AREA...

The LLCA is having a first! An outdoor concert is being provided free of charge by Louisville's newest Oldies cover band, **River City Rewind**, featuring Landis Lakes' very own Terry Sanders on drums. The date of the concert will be **Saturday, October 12 from 4:00pm - 6:00pm** and will take place in the common area across the street from the lake. If weather looks sketchy, we may move to the area outside the clubhouse or postpone for the following weekend. Feel free to invite friends and family and be sure to bring a lawn chair or blanket if you prefer sitting (although the music will be so good, you may have a hard time sitting still and not dancing! 😊). There will be free treats and prizes as well! We'll keep current news about the event on the Landis Lakes website (www.landislakes.com), including change of date or location if weather is problematic.

Hope to see you there!

HALLOWEEN COSTUME PARTY FOR THE KIDS

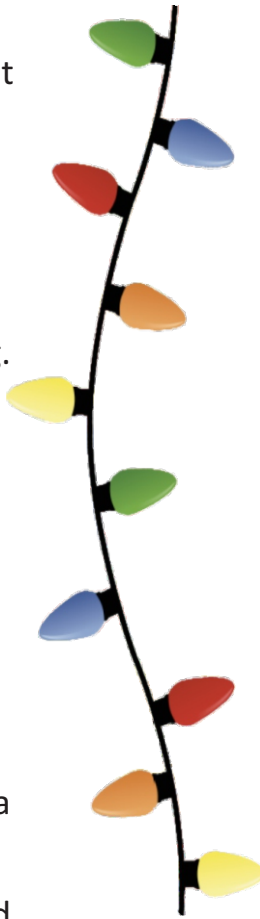

It's hard to believe Halloween is just around the corner. The 3rd Annual Landis Lakes Halloween Costume Contest will take place once again Halloween night at the clubhouse. The get-together will start at 4:30 and will end around 6:00. The judging of the kids in costume will begin around 5:30, so that families can then get started on their trick-or-treating right afterwards. Prizes will be awarded! Come join us for some fun and get a head start on some sweet treats. This is a great way to meet some of your neighbors as well. Adults are also welcomed to come in costume.

Speaking of Halloween, as what has happened occasionally in the past, if moderate to heavy rain is scheduled for Halloween night, we will reschedule trick-or-treating for another night. We will try and communicate via email and the Memberment app (used for pool entry), and the Landis Lakes website will be a good place to check for the most current decision. Hopefully we'll have a beautiful weather night!

HOLIDAY LIGHTS AT THE ENTRANCE

In order to save the community association money, some of the members of the LLCA Board of Directors will be putting the lights up at the front entrance. We are tentatively planning on putting up the lights on Monday, November 18, and then leave them off until the day after Thanksgiving. If the 18th ends up being a bad weather day, we'll reschedule for another day. The website will be updated closer to this date with the actual start time, and a new date if rescheduling is needed. We welcome any help from the community...it's a great way to get to know your neighbors! If you are interested in helping, please contact a board member. Contact information for board members can be obtained at...

BILLING

Just want to put a friendly reminder out there to make sure when the 2020 dues statement is mailed out, please do yourself a favor and make sure you pay on time, so as to avoid late fees. It will probably be mailed around the end of November or early December and should not be confused with the Recreation Association billing which is totally different from the Community Association.

REMiNDER

NEIGHBORHOOD YARD SALE RECAP

We would like to thank all the residents who participated in the neighborhood yard sale on Saturday, July 20. It was a great success. Many of the residents sold most of their merchandise by 10:00am. We heard positive comments from people who came to the sale. We are looking forward to our 2020 yard sale which will be held around the same time.

AUTUMN HIGHLIGHTS

September 22 (Sunday) - First day of Fall

October 31 (Thursday) - Halloween

November 3 (Sunday) - Daylight Savings Time. Don't forget to turn your clocks back the night before and enjoy an extra hour of sleep!

November 11 (Monday) - Veterans Day. Thank a fellow veteran for their service.

November 28 (Thursday) - Thanksgiving Day. Thanksgiving is late this year! Try and get a head start on your holiday shopping, since you will have less days to shop after Thanksgiving.
